Dear Brothers and Sisters,

We are sending our greetings in love to all of you, with the song of heavenly 'choirs' worshipping the triumphed Lamb, our resurrected Lord, as it was put in words by Apostle John:

Then one of the elders said to me, "Do not weep! See, the Lion of the tribe of Judah, the Root of David, has triumphed. He is able to open the scroll and its seven seals."

Then I saw a Lamb, looking as if it had been slain, standing at the center of the throne, encircled by the four living creatures and the elders. The Lamb had seven horns and seven eyes, which are the seven spirits of God sent out into all the earth. He went and took the scroll from the right hand of him who sat on the throne. And when he had taken it, the four living creatures and the twenty-four elders fell down before the Lamb. Each one had a harp and they were holding golden bowls full of incense, which are the prayers of God's people. And they sang a new song, saying:

"You are worthy to take the scroll and to open its seals, because you were slain, and with your blood you purchased for God persons from every tribe and language and people and nation. You have made them to be a kingdom and priests to serve our God, and they will reign on the earth."

Then I looked and heard the voice of many angels, numbering thousands upon thousands, and ten thousand times ten thousand. They encircled the throne and the living creatures and the elders. In a loud voice they were saying:

"Worthy is the Lamb, who was slain, to receive power and wealth and wisdom and strength and honor and glory and praise!" Then I heard every creature in heaven and on earth and under the earth and on the sea, and all that is in them, saying:

"To him who sits on the throne and to the Lamb be praise and honor and glory and power, for ever and ever!"

The four living creatures said, "Amen," and the elders fell down and worshipped.

Revelation 5:5-14

EHC-weekend in gladness...

It is not only our vitamin warehouse which runs out coming to the end of the year, but also if we haven't met with those we work together for the common goal, for a long time, we do long for gathering with them before the Lord to be renewed. At that weekend in the beginning of April the Lord had talked to our heart about two important and topical themes.

At two evening devotionals, by Galatians 6:1-5 we could get the message of carrying each other's burdens and our own load, and it pointed to both our personal and collective responsibility. While experience blessings in our personal relationship with the Lord and in fellowship with our brethren in the Body of Christ, we also go through changes and we grow. God's call for us in this earthly being is to make visible what is true in the invisible world, throughout how we live in this world. As a part of this, the verity of the Body of Christ is to appear through the life of God's people. We hold and live this great honor trustworthy when we live in loving relationship with the Lord and our neighbors, when we obey and adjust our life to the revealed Word. In our self-centered world it is particularly important to recognize that God's promises, warnings and encouragement are put in plural forms in the Scriptures. We are responsible for ourselves and also for our fellowship, and on the same time the community is responsible for its members – together, for each other. One time, we will be accountable for both sides of it, to the Lord who has been coming along with us on the way.

The main theme of the weekend was the current and Bible-based interpretation of 'Zeitgeist and Christianity'. The age in which we live our Christianity has its effect on us. The world formed by zeitgeist is always temporally and approaches us through our physical body. In 1 Corinthians 3, we can see characteristic figures of this way of thinking and life style. Media alters public opinion in a way that we would be occupied by temporally and perishable goals and plans, and all those would supersede everything. Our spiritual value will turn to that we deal the most with. If we spend much time with the Word of God, our spirit will be formed permanently, and it will become united with the thoughts of God. We even cannot recognize when we are turned from this by the zeitgeist advertising, that God's Word isn't need to be memorized and thus

held in our hearts, since we can find it immediately typing it in Google search. Yet if it only there, it is not in our hearts and thus cannot shape our personality. Often, desire for comfort and wealth supersedes any soberness, and pursues us drifting to worldly desires. Following it, we start to fear like the world, however God told his people that, the powers and authorities of this world and every generation living according to the zeitgeist, will fail. God always speaks to us through his revealed, written Words. Jesus himself always insisted on what was written. We also need to insist on the Word, not to be drifted and become victim of deception. This is the way how the Lord keeps contact with us, so let's read and study the Scriptures faithfully, praying, to be able to know the Lord more and more, who gives us his Holy Spirit to help us to understand the glorious things He has done and to get to know His will.

It was also a nice addition to our meeting, that each of us shared a poem, a song or testimony, or a current event of his life, not only enriching the others, but also enjoyed fellowship. There is less opportunity to get to know each other when we are in the fields, so our brethren from Transcarpathia also added to our fellowship with their songs, and above that, seeing their faithfulness our hearts became encouraged.

The youngest and the oldest participant

It is so good to be together with those who have got the same precious faith from our Lord, and to whom we were indeed strangers some years or decades before, but God's Holy Spirit formed us brethren and citizens of the country which was purchased for us by the price of redemption on Calvary of the Lord Jesus.

Closing of this 'full service' weekend we attended to Sunday sermon at church where verses of Psalm 19 pointed out that God's Word is sufficient for everything. It is worth to read this Psalm again, at least verses 8-11, and in addition to learn them,

because they are refreshing, make us wise, rejoicing, ... desirable and sweet, ... but moreover because they ENDURE FOR EVER. For all these grace and glory to the Lord: S.D.G.

Mrs. Ildikó Vincze

Our heart is grateful for our co-workers and all the opportunities to meet them. Also, good to see that they come and spend time together joyfully, and in spite of long distance we are a coherent company. Let's pray for those under load and suffer from illness. In addition, continue to pray for new co-workers!

Postal distribution

During February EMO-tracts reached homes of some settlements through postal distribution. Besides 4 400 families in twenty villages in Baranya county, 16 800 families in 48 settlements in Győr-Moson-Sopron received the notice with the title of 'Don't worry!' According to the previous practice, we went to some settlements

to control the distribution together with the post-workers, whether the recipients received EMO-tracts, indeed. Thanks God, we considered this time again, that the post-workers fulfilled their task fairly, moreover, our Lord prepared a good spiritual talk with a post-worker. Let's pray for her, as well!

Sadly, the most recipients we asked during our control visits were completely disinterested. They had no question or notice according to the paper they received moreover, they were not ready to debate on the notice. A lot of them told honestly, they throw it away. The question arise whether it still worth to do? I think yes. Because if only one person's spirit starts to move toward the Lord, it was worth! And we do pray and plead that the blessed work may be accomplished by our Lord's Word and his Spirit:

'As the rain and the snow come down from heaven, and do not return to it without watering the earth and making it bud and flourish, so that it yields seed for the sower and bread for the eater, so is my word that goes out from my mouth: It will not return to me empty, but will accomplish what I desire and achieve the purpose for which I sent it.'
Isiah 55:10-11

Easter 'postcards' and EHC mission calendar

Last year's new product was EMO 'postcard', through which an evangelical opportunity were offered for the Churches. We prepared a postcard for Easter with a Bible-verb and a devotional writing inside, which could be sent by the Churches to each family of the settlements before the celebration days. This possibility was well accepted and in the last year in 22 churches they posted the postcards to 30'000 families. This year it is our desire again that Black Friday's and Easter's good news would reach many

people, so we prepared a new postcard for 2019. Thus, 24 Churches requested 20'370 pieces of them to greet people living around them or in some places each family in their settlement, during Holy Week and Easter.

We are glad to say that all the 11'000 Calendars printed for 2019 were gone (only some pieces retained in the office for the 'archive'). About 180 brethren requested more or less pieces, among them priests who ordered them for their Church members to distribute them to open and interested people. Hopefully it means that 10'000 families in Hungary and 1 000 in Transcarpathia can follow the Scripture verses and meditations writ-

ten in the Calendar throughout the whole year. May many of them could yield the messages calling their hearts and would start or move forward following Jesus!

It is good to experience when God works out a thought. To see, how a motivation from Him 'incarnates' through our common work. That was we experienced in connection with the postcard and calendar, as well – let's praise the Lord for it together! Continue to pray for those received the card or the EMO-calendar hangs on their wall! Let's give grace as for many families had been reached with the good news for the first time or again! And above all, praise our Lord for the good message that He came, died and raised from the dead!

Task ahead of us

Continue postal distribution: During the Spring season we still would like to distribute tracts to 20 000 families in those settlements of Győr-Moson-Sopron county, where is no active protestant church.

Outreaches: In the beginning of each year we reach out to those Churches around which we are planning to distribute tracts during that year, according to the former consultation. This year we did the same, however in case of the most Churches or settlements we had to postpone EMO movement for different reasons. Until now we could fix the date of our action in only two places (but we continue to work on the rest, as well):

May 3-4-5, 2019 – in 9 small settlements, belonging to **Kovácskida Reformed Church**, in Baranya county (850 homes altogether).

May 17-18-19, Sajóbáony Borsod-Abaúj-Zemplén county, (1'140 homes, host is Reformed Church)

Working hands and legs are needed, and also 'lips that openly profess his name'! We are waiting for our brothers and sisters!

Information

Last year EMO Facebook page 'rose up' again, where up-to-date information, reports, pictures and spiritual matters are available for those open it. EMO webpage is under reconstruction. It does work, but most matters are just temporarily fixed. Hopefully, it comes up in a new appearance soon!

Many thanks for those help our ministry with distribution of tracts, organization, computer work, translation, revision, proofreading, cleaning, watering flowers, packing, wrapping, or donation, and also invisible but most important prayers – or any other way. We are thankful for those who supported the publication of postcards, calendars and other materials. May God be honored for everything!

EHC worldwide

BOSNIA-HERZEGOVINA (3,5 million inhab., EHC leader: Perica Sapina) Srebrenica will commemorate this year the 24th anniversary of the biggest massacre on the European continent since the Second World War. Its memorial records the names of more than 8,000 Muslim boys and men executed from 11 to 18 July 1995 by Serb forces. With a handful of Christians, the EHC coordinator went to meet the people in this city of martyrdom in eastern Bosnia. Pray that the doors of homes and hearts will open and that the power of the Gospel will be manifested in the lives of all who will hear the Gospel message..

CAMEROON (24,3 million inhab., EHC leader: Laurent Tagne) The work of evangelization has developed in about forty action zones in Adamaoua, one of three regions in northern Cameroon. Nearly 60 people have found the Christian faith. "In November, barbaric unrest and violence occurred in the Vina district," is a cause for concern says the EHC coordinator. Thousands of inhabitants, mostly Fulani, deserted their villages to escape hostage-takers who have been terrorizing them for nearly five years. "By the grace of God calm has returned". Pray for EHC Agents who have returned to Konioli and Wassade. These two districts already have about twenty new converts.

CSEHORSZÁG (10,6 million inhab., EHC leader Vladimir Kšikal) The city of Karlovy Vary has been fully reached with the message of the Gospel. Famous for its thermal baths and cinema festival, this important tourist center in West Bohemia, welcomes many visitors all year round. About 60,000 inhabitants were fully informed about the Gospel. From this month of April EHC is supporting Christians in the county of Domazlice. Another locality in West Bohemia, a few kilometers from the German border, has about 22'000 homes. Pray for the seeds that EHC and Christians will spread in this region.

BUDAPEST At the beginning of April we had a Western- and Middle-European EMO leaders' meeting to share our experiences, to think about tasks ahead of us together, and to pray together before our Lord. Let's pray for EMO leaders!

***We wish for all of you a
joyful celebrating the resurrection
of Christ on every Sunday!***
